

Having Fun at FreedomFest?

From bands to bouncy houses, and petting zoos to porta-potties, it takes a LOT to make this amazing community event happen.

This entire event is organized by volunteers who spend some of their holiday contributing to our community. We'd love for you to join us! If you'd like to donate a few bucks or give a little time to help put on your Freedom Festival, visit us online to find out how.

The Austin Enhancement Group is a 501(c)3 non-profit organization originally formed in 2021 to organize Austin's Freedom Festival events in the park, as well as the Kid's Fishing Contest.

Our all-volunteer committee is proud to carry on the community tradition that we all know and love, as well as take on other beloved community events like Hometown Christmas (held on Main Street, the day after Thanksgiving). Visit us online to learn more and help out!
