

Donate to Your Festival

From bands to bouncy houses, petting zoos to porta-potties, and food to fireworks, it takes a LOT to make this amazing community event happen. If you can spare a few bucks or a little time to help put on your Freedom Festival, we'd appreciate it more than you know! All of our members are volunteer so you can be sure your donation goes fully to putting on the event. And your donation may be tax-deductible as the Austin Enhancement Group is a 501(c)3 organization.

Open your smartphone's camera app, scan the code, then click the link that appears.

www.FreedomFestAustin.com

The Austin Enhancement Group is a 501(c)3 non-profit organization originally formed in 2021 to organize Austin's Freedom Festival events in the park, as well as the Kid's Fishing Contest. Our all-volunteer committee is proud to carry on the community tradition that we all know and love, as well as take on other beloved community events like Hometown Christmas (held on Main Street, the day after Thanksgiving). These events take a lot of volunteers, community support, and donations - without which, none of these community events would be possible! If you are interested in helping, please visit our website:
